

Welcome to Virtual Prep Academy of Washington

August 5, 2022

Dear Parents & Guardians,

Welcome to the 2022-2023 school year. We hope you all had a wonderful summer break. As school quickly approaches, we wanted to reach out with some information about V. Prep – WA.

Our mission at V. Prep – WA. is to establish a standard of academic excellence, by creating a learning environment that partners with our parents in the educational process. Parents, teachers, staff, and the administration all play critical roles in creating life-long learners.

One of our goals is to see that the parents and guardians of students, like the students themselves, feel at home at V. Prep – WA. To accomplish that, weekly Parent Communication will be sent via email and posted to Canvas, providing you with information about events and activities. This year, we are also introducing monthly parent meetings. More details will follow.

Here are some highlights for week one:

- **Tuesday, August 23rd “First Day of School”** – Orientation sessions for parents and students. This will be an interactive experience allowing everyone to access their accounts and answer specific questions regarding our systems. Links and times, along with login credentials will be sent closer to the beginning of school.
- **iReady Assessments begin for all students** – specifics will be provided during orientation
- **Wednesday, August 24th Open House/Meet the Teachers** – sessions will be held from 7:30 – 9:30 a.m. and 2:00-4:00 p.m. (only one session required). These sessions are open to parents and students to meet their teachers, ask questions and understand normal classroom expectations. More information will be provided during orientation.
- **Thursday, August 25th** – Live sessions begin for all students.

To help us further prepare for a smooth transition into the school year, we ask that all families of students in grades 6th through 11th complete the following survey selecting elective courses they wish to take during our first semester. Please complete this survey(s) by **Friday, August 19th** so we can ensure your student is properly registered for their electives (please complete one for each child):

[6th through 8th Electives](#)

[9th through 11th Electives](#)

We are glad you have chosen VPA-WA for your child. We want to assure you that we will do our best to help your child experience academic, social, and emotional growth. With your help and cooperation, this should be an excellent school year.

Respectfully,

Mr. Brian Bradish

Head of School
