A Message from the Head of School

Spring is upon us and that means lots of things on the calendar. Please remember that the end of Quarter 3 is fast approaching and due dates are being shared by teachers in all classes. All work must be submitted on or prior to March 28th for credit. Anything submitted after that day will receive a zero and will not be able to be completed. Students have a full quarter to complete all work without penalty so it is important that students focus on the work that has been assigned starting Jan 22nd – March 24th and complete that work now. The month of April will be full of important dates, Spring Break April 7th – 11th and we will have no classes that week State Testing will be on April 21st – 25th letters have been sent with the locations and dates, if you haven't received a letter please look for that to come the week of March 17th via email. Please confirm with your student's advisor that you have received the information for State Testing. All students in grades 3, 4, 5, 6, 7, 8, 10, and 11 are required to complete State Testing.

During that week students will be assigned asynchronous work in all classes and will be expected to complete the work assigned as staff will be on site to proctor tests.

Washington

State Testing Reminder

April 21st–25th

Information is coming, please check with your student's advisor

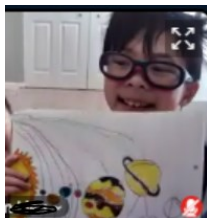

QUARTER 3 ENDS ON MARCH 28TH

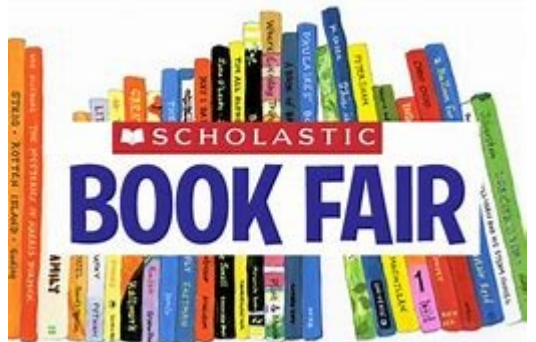

You must submit ALL assignments from Quarter 3 on or prior to March 28th.

Assignments not submitted by March 28th will receive a zero in the gradebook at teacher discretion.
