## A Message from the Head of School

VPrepWA State Testing Week was a success and a fun time seeing students, families, and staff. Thank you to all the parents/grandparents/friends/families that took the time to get your students to one of our 15 different testing sites this week. We appreciate you making time to prioritize your students' education. A huge shout out to all the staff who worked sites this week, we are very lucky to have amazing staff who not only take on the roles and responsibilities for testing over 500 students, but also do it so well. For those who missed testing this week, we will have the following make-up days – please let me know when you will be attending.

- Pasco, WA May 13<sup>th</sup>
- Spokane, WA May 15<sup>th</sup>
- Seattle, WA May 20<sup>th</sup>
