## A Message from the Head of School

This year has been filled with learning, growth, and new things at VPAWA. Our students have continued to amaze us with their curiosity, creativity, and determination. We strive to provide families and students with the schooling option that fits them just right.

To our educators and staff, thank you for your unwavering commitment to student success. Your passion, hard work, and care make our schools places where students feel supported, challenged, and inspired every day.

To our families, your partnership is essential to all we do. Thank you for your continued support and trust as we work together to provide the best possible education for every child.

As we head into summer, I encourage everyone to take time to rest, recharge, and enjoy time with family and friends. For those graduating or moving on to new adventures, we celebrate your achievements and wish you nothing but success in the journey ahead.

Thank you for a wonderful year, and we look forward to welcoming you back in the fall, refreshed and ready for a new chapter of learning. Over the summer, your Admin Team will be working to create new opportunities to make VPAWA even better for the 25-26 school year.

Remember, if you haven't communicated with your Advisor, Success Coach, or Administration your intentions for next year, please do so before June 21st to help make sure your enrollment is continued for next year.

Wishing you all a safe, joyful, and restful summer!

I hope you find time to rest and relax this summer! As a reminder, you can access your school apps if you'd like to keep practicing your math/ ela skills you worked so hard to earn this year! We look forward to seeing you in the Fall.
